# RoofOn

## Simple - Easy - Affordable

- ◆ Tried and tested, robust technology
- ◆ Continuous speed, temperature and airflow adjustment through potentiometer
- ◆ Narrow 8" & regular width stance
- ◆ Great for parapets, flashing & seam overlap
- ◆ 40mm weld width
- ◆ Automated drive
- ◆ High welding speed
- ◆ Lightweight, powerful, environmentally friendly

**Also available:**  
**\*\*\*\* The NEW RoofOn Digital \*\*\*\***

**Part# 5230052 (120V) and Part# 5230049 (230V)**

### Technical data

Item Number		5230051	6600132
Voltage	VAC	120	230
Frequency	Hz	50 / 60	
Power	W	2700	3400
Temperature	°F	68 - 1112	
Max. Power Input	A	22.5	15.0
Speed	ft/min	1.64 - 39	
Air flow max (68°F)	l/min	500	
Air flow	%	Adjustable	
Emission	dB	50	
Measurement LxWxH	In	18"x8"x12"	
Weight	lbs	44 with 19' cable	
Conformity marking	CE
