

# OMG PCPreserver™

PACECART STORAGE KIT

## Long Term Storage for PaceCart 2

*OMG PCPreserver™ is a non-hazardous long-term storage product for use with the patented PaceCart 2® dispensing equipment. PCPreserver is specially formulated to flush OlyBond500® adhesive residue from PaceCarts as well as keep PaceCart pumps, hoses, and the gun assembly sufficiently lubricated during periods of extended storage.*

PCPreserver is a non-hazardous option for prepping a PaceCart for storage. It is safer to use, better for the environment, and easier to dispose of than harsh solvents or hazardous materials.

### Features & Benefits

- Easy to handle 1 gallon (3.79 L) containers.
- Snap-in-place spout for easy connection to the PaceCart.
- Non-hazardous formulation is better for the environment.
- Very low VOC (< 1 g/L).

### Application

PCPreserver can be used on both Part 1 and Part 2 sides of the PaceCart. Pump the PCPreserver through the PaceCart pumps, hoses, and gun, and into a suitable bucket or waste container for disposal. Leave the PCPreserver box in place and connected to the PaceCart until the unit is taken out of storage. Two gallons (i.e. 1 per side) is sufficient to completely flush one PaceCart and prep it for storage. See box label for details.
