OMG
OlyBond500
INSULATION ADHESIVE

Fast, Friendly Insulation Attachment

OlyBond500 is the premiere insulation adhesive for low-slope roofing applications. Whether your project is 10 squares or 10,000, there's an OlyBond500 solution that's right for you.

OMG Roofing Products, the most trusted name in adhesive insulation attachment, also offers a large selection of innovative application equipment.

***OlyBond500 makes big jobs
seem small...and
small jobs even easier!***

OMG
PaceCart 2
FOR OLYBOND500

- The exclusive application equipment for OlyBond500® and OlyBond500® Green
- Fastest application method on the market
- Designed for high production roof projects
- Lowest installed cost method of application
- Uses Bag-in-Box technology (patent pending)
- Inexpensive to purchase and operate
- Can apply up to 60 squares of insulation per hour
- Easy to operate, lightweight and portable
- Two-component reaction occurs in the disposable mix tips, keeping the gun and hoses clean and free flowing
- Easy to clean and maintain
- 30-ft. hose allows for easy application around penetrations
- Clean, airtight delivery system
- Built-in tool box holds extra mix tips, grease gun, etc.

SpotShot Applicators Exclusively designed for OlyBond® adhesives

Hand Applicator

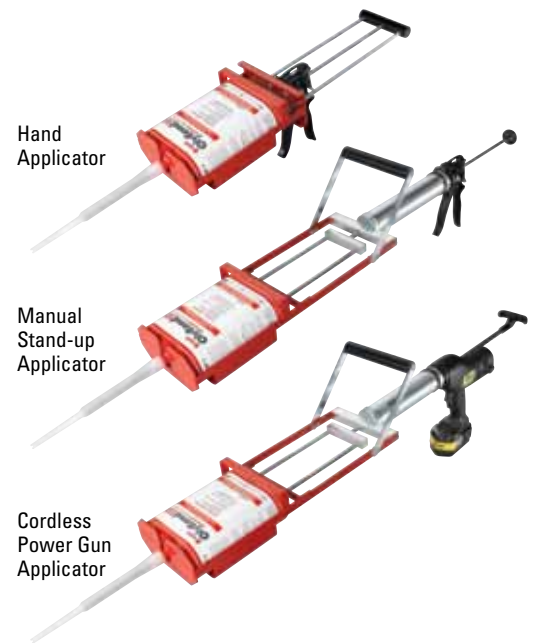

- Lightweight and easy to use
- Great for repair work or small areas
- Inexpensive and in stock at major roofing distributors

Manual Stand-up Applicator

- Lightweight and portable
- Stand-up application reduces worker fatigue while increasing production

Cordless Power Gun Applicator

- All the benefits of the Manual Stand-up Applicator plus a battery-powered mechanical drive system
- Constant pressure provides even and uninterrupted adhesive flow for maximum efficiency
- Significantly increases production; easy to operate
- Includes two (2) batteries and a 120 volt charger

Packaged in 1,500 ml cartridge sets, OlyBond500 SpotShot is the perfect choice for crickets, smaller roofs, hard to reach areas and rooftop repairs.

Approvals

OlyBond500 is approved by most roof system manufacturers and is Factory Mutual, Underwriters Laboratories, Florida Building Code and Miami Dade approved.

Florida Building Code
