

WARRANTY

WARRANTY ITEMS

1. Warranty for cap assemblies, castings and housing castings is one year.
2. Warranty for bumpers, “O” rings, driver blades and piston rings is not applicable as they are normal wearing parts whose life is dependent on application.
3. Warranty for all other parts is 90 days.

WARRANTY CONDITIONS

1. The beginning date in which the warranty is in force is the date of purchase.
2. The warranty is not transferable.
3. The warranty is voided by any of the following:
 - a. Abuse, misuse, or damage to the tool
 - b. Use of parts other than genuine **STINGER** parts
 - c. Use of fasteners not designated for use in the tool
 - d. Modifications to the tool that alter the original function or intent of use of the tool by anyone other than National Nail
4. National Nail Corp. retains the right to replace or repair any warranty items it deems necessary.
