To Whom It May Concern:

This is to certify that MasterEmaco A 660 polymer liquid (formerly Acryl 60), as supplied by BASF Corporation, fully meets the performance requirements listed in our current Product Data Guide, BASF Form Number 1019073.

Please note that, as part of the Master Builders Solutions® brand launch, MasterEmaco A 660 became the new product name for what was formerly Acryl 60. The name change became effective January 15, 2014. The product has undergone no formulation or raw materials changes as a result of this effort and all physical and performance characteristics remain as outlined in the aforementioned product data guide.
